

100 Caring Adults “Back to School” Events: 2019-2020 School Year

Summer is drawing near and back-to-school is quickly approaching. To kick off this school year, the following Promise Council schools are forming **100 Caring Adults** to show students that we as Caring Adults support and believe in their education. If you are interested and available in joining a collective group, please mark your calendars to attend any of the Promise Council school locations and events listed below.

The Promise Council network is a collection of Caring Adults who work to connect community resources to the specific needs of students as identified by teachers and staff at a designated Promise Council school. The goal is simple---remove barriers to learning because all children deserve the opportunity to achieve success through a quality education. The chance of success increase when each child can experience the 5 Promises. The 5 Promises are:

1. **CARING ADULTS** who are actively involved as Parents, Teachers, Mentors, Coaches, and Neighbors
2. **SAFE PLACES** that offer constructive use of time
3. **A HEALTHY START** and healthy development
4. **AN EFFECTIVE EDUCATION** that builds marketable skills
5. **OPPORTUNITIES TO HELP OTHERS** by making a difference through service
